This past weekend, Taylor High School Senior Charlie Lange received the first-ever Chuck Ausman Scholarship for \$2,000 from the West Point Society of Greater Cincinnati Leaders of Character Initiative.

This prestigious scholarship is named in the honor of the late Chuck Ausman, a West Point parent and seminar team member.

## CONGRATULATIONS

*National Merit Finalists*  
2022

Lee Garber-Ford

Anthony Martini

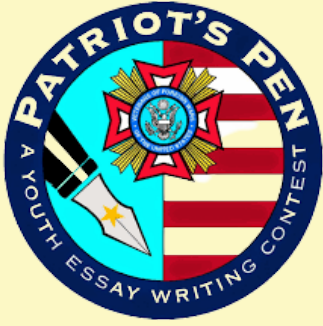

In September, Taylor High School was notified that they had two National Merit commended scholars, Charlie Lange and Brandon McCollum. Taylor also had two National Merit Semifinalists, Lee Garber-Ford and Anthony Martini. As a National Merit Semifinalist, Anthony and Lee represent less than one percent of US high school senior students.

On February 16, 2022, Taylor High School received notification that Lee and Anthony are officially National Merit Finalists. The National Merit website states that to be considered for a National Merit Scholarship, Semifinalists must advance to Finalist standing in the competition by meeting high academic standards and all other requirements explained in the information provided to each Semifinalist. A variety of information is available for NMSC to evaluate: The Finalist's academic record, information about the school's curriculum and grading system, PSAT/NMSQT Selection Index score, the high school official's written recommendation, information about the student's activities, and leadership, and the Finalist's own essay.

When asked about the accomplishment, Taylor High School Principal, Mark Smiley, stated " We are very proud of Lee and Anthony for their academic achievements and for the prestigious honor of being named National Merit Finalists! Lee and Tony are fine ambassadors for Taylor High School, whose scholarship, service, and character exemplify our district goal of student success. Their recognition is also an excellent example of the academic programming and opportunities available for our students in the Three Rivers Local School District and has set a high standard for future students to strive to achieve. Congratulations to both Lee and Tony!"

6th-grade students in Mrs. Henderson's APT class and Mrs. Farris' LEAP classes participated in the Veterans of Foreign Wars Auxiliary Patriot's Pen Essay Writing Contest. The students wrote an essay on the topic, "How can I be a good American?" Students worked hard in APT and LEAP to develop their ideas and write their essays. Six students placed in the local level, won cash prizes, and moved on to the regional level.

#### The local level winners are:

- 1st Place: Calli Rieskamp
- 2nd Place: Cameron Parker
- 3rd Place: Lizzie Hilvert
- 4th Place: Georgia Mercer
- 5th Place: Jacey Martini
- 6th Place: Taryn Mitchell

Taylor High School sophomore, Camryn Mason, received a very distinguished honor. From June 2022 through May 2023, Camryn's self-portrait will be hanging in the House of Representatives High School Student Art Exhibit at the Ohio State Capitol Riffe Center. This is the first time that Taylor High School has had a student artist selected for this prestigious recognition. The Taylor High School Art Department is led by Sue Diemer. Sue is a devoted art teacher who strives to equip every student with the resources that empower them to be the best artist they can be. One of the reasons Taylor cultivates artistic talent year after year is the fact that Yellowjackets are supported in the arts beginning in kindergarten at Three Rivers Elementary. Ms. Kelli Burichin is the elementary art teacher but also has a successful resume with many personal accolades. Her love for art filters into her students in the elementary. Students in grades five through eight are welcomed by Mrs. Amber Moore at Taylor Middle School where they are encouraged to try new things. Mrs. Moore identifies student strengths and works to prepare middle school students for high school coursework if art is a passion of theirs. Once in high school, Taylor students have Mrs. Diemer and Ms. Ferree to provide collegiate-level instruction. Taylor receives annual recognition in the Scholastic Art Awards. This success is a direct reflection of the devoted teachers they have that are dedicated to providing quality art education to all Three Rivers students.

Camryn will represent Taylor High School at the Ohio State Capitol and Three Rivers is proud of her accomplishment.

The Taylor Middle School MathCounts teams participated in their chapter competition on February 17th.

The teams included Alice Schmidt, Brandon Gardner, Ethan Thomas, Jackson Nieman, Jason McCollum, Jossie Enderle, Mason Stautberg, and Ted Johnson.

Taylor Middle School's top scorer was Brandon Gardner followed by Jackson Nieman and Jossie Enderle. Taylor had 5 students finish within the top half of students who competed. Great job to all participants!

Please see the GoFundMe Page created to benefit the Nicholas R Cordrey Foundation

Nicholas Randolph Cordrey was a 15 year-old rising sophomore at Taylor High School in Cleves, Ohio. He was an intelligent, compassionate, curious, artistic, and athletic young man who played goalkeeper on Taylor's men's soccer team as well as the TFA 04 premier team. Unfortunately, in May 2020, Nick suffered a brain aneurysm and in June 2020 the world lost a terrific young man. True to Nick's compassion, and by his choice, seven of his organs as well as his corneas and tissue, were gifted to others, enabling Nick to save five lives and impact countless others as his final gift.

To honor Nick and his love of soccer, a memorial flower garden will be built at the entrance to the Taylor High School soccer facility. Even though it will be in memory of Nick and will have a stone in his memory, the garden will be for everyone who has lost someone to come and honor their loved one. It will be something permanent for the Three Rivers community but will also be for anyone who needs a peaceful place to reflect.

The cost of the garden is approximately \$10,000 and the goal is to have it in place at the start of the 2022 fall soccer season. If the goal is exceeded, any extra money will go to the Nicholas R. Cordrey Foundation to provide scholarships to graduating seniors as well as to help make necessary improvements to the Taylor High School soccer facility. No donation is too small and if you can't donate, you can help by sharing this GoFundMe so that others may see it and donate if they are compelled. Thank you.

On Thursday, February 10, 2022, Three Rivers respectfully accepted a substantial donation from Whitewater Crossing Church. Every year, the congregation identifies an outside cause to donate half of their December 24th collection. This year, the Three Rivers' Jacket Cares Initiative was selected to be the recipient of the funds. Jacket Cares is a district-wide initiative to meet the needs of all students and families in our Three Rivers Community by providing direct support and resources.

Not knowing what the dollar amount would be, Three Rivers excitedly met with leadership from Whitewater to explain the growing need to provide social and emotional help to all Three Rivers students, staff, and families.

As a result of the generosity of the Whitewater Crossing Community, Three Rivers was gifted a little over \$50,000 to get Jacket Cares up and running. The Initiative was created by the counselors of all three schools at Three Rivers. "We recognize that many of our students have physical, social, and emotional needs that are impacting their experience at school. As a counseling team, we are committed to providing each student with what they need to be successful. The Jacket Cares Program is a way for us to directly impact students and families in a tangible way. Finding a way to fund this program was always a struggle. The offer from Whitewater Crossing to partner with us for their Christmas Eve giving could not have come at a better time. It's just exciting to identify a need and be able to actually work to resolve it thanks to our friends at Whitewater. They continue to be great advocates for the school community and it is very much appreciated," stated Katie Ryan a Counselor at Taylor High School.

When Three Rivers Administration and Whitewater Crossing leadership met to discuss the possible partnership, the key component of this donation focused on sustainability. It was important to both parties to have a plan in place that supported the growth and development of this Initiative. While \$50,000 is a lot of money and extremely impactful on starting up Jacket Cares, it alone would not sustain a long-term impact. "As I learned more about Jacket Cares from our counselors, it became quite evident that there was a need for this program in our community and we felt strongly that this gift was just a beginning. After sharing all the possibilities that this gift could provide, we also began to realize that it was equally important that we find ways to sustain and grow this work. I couldn't be prouder of this team of passionate educators who envisioned the positive, immediate impact this program will have for our students and for being committed to ensuring this program benefits our school community for many years to come. We are so thankful to have Whitewater Crossing as a distinguished school partner advocating for our work and helping us support our students and families," Dr. Ault, Superintendent of Three Rivers, said reflecting on the financial impact this donation will have on Jacket Cares.

The goal is to have a strategic process in place and be actively using the donation by the spring. The Three Rivers website will have a link that will include more information regarding Jacket Cares as well as ways to contribute funds to the Initiative. The donation was formally accepted at a Three Rivers Board of Education meeting.

Explore the Visual Arts with the DAAP Saturday Art Program.

Saturday Art is a 7 week art program which offers students in grades K-12 the opportunity to explore the visual arts in the DAAP classrooms at the University of Cincinnati's main campus in Clifton. Students will be instructed by future art educators who will practice contemporary methods to promote creativity and meaning making through visual art.

## Registration
