**March 10, 2018**

## **Kindergarten Registration**

**9:00 am – 1:00 pm**

**2018-2019**

Three Rivers Elementary is excited to welcome you to the **2018-2019 Kindergarten Registration Event** on March 10th anytime between 9:00 am and 1:00 pm (we suggest coming before 12:30 pm to allow time for registration and a tour) at our Educational Campus. This is an opportunity for parents and incoming kindergarten students to come and get to know the building, receive pertinent information about July academic screenings, ask questions, take a tour of the building, meet Principal Biedenbach, and get your child registered for next school year!

To help streamline the kindergarten registration process, parents are encouraged to sign up online at <https://taylor-oh.finalforms.com/students> starting **March 8th** before coming to the registration event. Staff and computers will be available on March 10th to assist and help parents navigate the new online registration system and answer any questions they have about the forms. If you are unable to attend this event and need assistance with registering your child, please call our school office (513-467-3210).

Three Rivers has recently advanced the registration process to an online format only. This new system allows us to go paperless, while enabling you to complete your child's full registration only once for as long as they attend Three Rivers; giving parents the ability to update it at any time during the school year(s). The forms you will see in the online registration process include: Registration, Emergency Medical Authorization, Transportation, Technology, Affidavits (current residence, landlord, and prior residency) and Ohio School Health History.

Choosing your child's education is the most important and difficult decision parents make and we THANK YOU for choosing Three Rivers Local School District.

-Principal, Adam Biedenbach
