 Cincinnati State

COLLEGE CREDIT PLUS

# WHAT IS COLLEGE CREDIT PLUS?

College Credit Plus (CCP) is a program that provides opportunity for qualified high school students to take college courses and earn college credit, at no cost, while still in high school.

Qualified students may take college courses:

- In the high school classroom, taught by a high school teacher who has been approved to teach the college course
- At any Cincinnati State campus location, taught by Cincinnati State Faculty
- Online, taught by Cincinnati State Faculty

These college courses result in both high school credit toward high school graduation, and transcribed college credit. Upon graduation from high school, students can continue their education at Cincinnati State to complete an associate degree or certificate program, or can be transferred to another Ohio college or university. CCP participation is available to public, private school, and homeschool students. Private school and homeschool students must follow additional steps to participate. Additional information can be found at [www.ohiohighered.org/ccp/faqs](http://www.ohiohighered.org/ccp/faqs).

## THE BENEFITS OF COLLEGE CREDIT PLUS

Students who participate in CCP:

- Earn college credit and high school credit
- Earn a year's worth of credit at Cincinnati State prior to graduation from high school
- Engage with college professors
- Access to college courses not available in your high school
- Access to college resources such as the library, tutoring, and activities

### ELIGIBILITY

Student eligibility requirements align with the Ohio Remediation Free Standards. Appropriate placement scores on the ACCUPLACER exam, or alternative institutional placement procedures, are required for placement into selected courses. To be accepted and enroll in courses for CCP, students must meet the eligibility criteria for the college course requested:

#### English & Social Sciences

ACT sub-score of 18 in English and 21 in Reading, or score college ready on ACCUPLACER

#### Math & Science

ACT sub-score of 22 in Math, or score college ready on ACCUPLACER

#### Technical Courses

Other requirements may be identified specific to each course.

### ADDITIONAL INFORMATION

Talk to your high school guidance counselor or contact Cincinnati State's Off-Campus Programs for more information.

# APPLICATION TIMELINE

To participate in CCP at Cincinnati State, all CCP application and supporting documentation, including appropriate test scores, should be submitted by:

**For Summer Semester Registration**

**MARCH 1st**

**For Fall Semester Registration**

**MAY 1st**

**For Spring Semester Registration**

**NOVEMBER 1st**

**Note:** All public school, private school, and homeschool students must declare their intent to participate by April 1, even if they participated last year.

**FOR MORE INFORMATION**  
Office of Admissions  
(513) 861-7700  
ccpinformation@cincinnatiastate.edu  
www.cincinnatiastate.edu/ccp

## GATHER

You will need your Social Security Number and State Student ID Number (SSID) to complete your online application. Your SSID number can be provided to you by your public high school. If you attend a private or home school, you may submit the online application without your SSID, but will be required to submit the SSID prior to the finalization of the admission process.

1

## APPLY ONLINE

[www.cincinnatiastate.edu/ccp](http://www.cincinnatiastate.edu/ccp)

Click "APPLY NOW" and follow the prompts. You must provide a valid email address as you will receive an email acknowledging the submission of your CCP application. This email will detail your next steps.

2

## AUTHORIZE

To finalize the CCP acceptance process, complete and submit the CCP Authorization Worksheet, your high school transcripts, and any other relevant documentation. The CCP Authorization Worksheet must be completed in its entirety. The worksheet will require the signature of both the parent/guardian and high school CCP Administrator authorizing you to participate in the program. You may also be required to take the ACCUPLACER Placement Assessment test, or equivalent assessment, to determine specific course eligibility.

3

## CCP ORIENTATION & ADVISING

Students who have been accepted into the CCP program must attend an Orientation & Advising session. Students who are required to take the ACCUPLACER Placement Assessment test should do so prior to attending the Orientation & Advising session. If you plan to participate in CCP courses only offered in your high school, please check with the high school CCP Administrator to learn about alternative orientation, advising and course registration procedures.

4

## REGISTER

Students who have been accepted into the program, and who have attended an Orientation/Advising session, are eligible to register for courses, as authorized, during the appropriate registration period. Detailed semester specific registration information will be communicated to CCP students via their Cincinnati State email accounts.
