Remembering Nicholas Cordrey, class of 2023

In the summer of 2020, right after his freshman year, Nick died from a brain aneurysm. He loved politics, geography, Jesus, his friends, art, soccer, helping others, and so much more.

He was kind, considerate, and loving with a great sense of humor. He was relentless in his pursuit of happiness. He loved life.

In his short 15 years, Nick taught his family and his friends to live life on purpose, with purpose. He did great things while he was young and even in death he helped others as an organ donor.
